Name	Title of Paper	Name of Journal/Conferences
S. Bhattacharyya	1. "Quantized electron-states in a semiconductor quantum ring in external electric& magnetic field." 2. An investigation of network performance employing Radial Basis function as activation function in coin recognition problem domain " 3.A secured communication link design using narrow line of sight technique. 4.Generation of Millimeter wave frequencies in Optical domain for Hybrid Systems	1.International Conference at Hayat- Kolkata 2." Page no 476-480. International Conference on" Information Technology" (INTL -INFO Tech 2007) March 19-21, H.I.T Haldia, India. 3. ISSN-0973-6824 From 19.03.07 to 21.03.07 in Haldia Institute of technology 4. Proc of the 14 th National Seminar at West Bengal State Science & Technology Congressin Association with J.U. Feb 28-Mar 01,2007
D.R. Kisku	1.Robust feature level multi biometric classification 2.Face identification by SIFT based complete graph topology 3.Facial Template synthesis Based SIFT feature 4.A novel approach to off line signature verification using gaussian empirical rule. 5.Feature Level Fusion of Face and Fingerprint Biometrics 6.Feature Selection and Feature Weighting on SIFT Features Using Gaussian Empirical Rule for Face Recognition 7.Feature Level Fusion of Face, Fingerprint and Palmprint using SIFT-PCA Combination: A Multibiometric Approach	1.IEEE Conference BSYM 2006 ,Baltimore USA .19-21 Sept 2006 2. IEEE Conference AUPOLD2007 ,Alghero ,Italy .07-08 June 2007(Accepted) 3. IEEE Conference AUPOLD2007 ,Alghero ,Italy .07-08 June 2007(Accepted) 4. 6th European Conference on Information Warfare and Security, Shrivenham, UK,2-3 July 2007. Pages: 139-150. 5.1 st IEEE International Conference on Biometrics: Theory, Applications and Systems, BTAS 2007, 27 – 29 September, 2007, Washington DC. (Published) 6.3rd International Conference on Information Warfare and Security, ICIW 2008, University of Nebraska Omaha, USA, 24-25 April 2008. (Accepted) 7.The 15th International Conference on Computational and Experimental Engineering & Sciences, ICCES08, 17-22 March 2008 Honolulu, Hawaii, USA. (Accepted)
D.Pal	Turbulence characteristic over artificial waveform and its implication on side most transport.	Page no- 204- 214, international conference on hydraulic engineering, research and practice, ICON- HERP- 2004, oct- 26-28,2004
